

FIG Commission 7 Annual meeting
and International Symposium 2012

San Luis, Argentina, 30 Nov. – 4 Dec. 2012

The first ever FIG Commission 7 Annual meeting in Latin America will take place in San Luis, Argentina from 30 Nov. to 4 Dec. 2012. This FIG Commission 7 Annual meeting and the International Symposium are co-organized by the Consejo Federal de Catastro and the Federación Argentina de Agrimensores.

For FIG Commission 7 delegates, this Annual meeting and the International Symposium will be an amazing opportunity to share experiences and views about cadastral and land management with their Argentinian and Latin American colleagues. Topics like future cadastral (AAA Cadastral vs basic cadastral), disaster management, the evolving role of the land surveyor, State land management, land governance will be presented and discussed and this, in a regional and international perspectives.

Our colleagues and friends from all the Latin American countries are especially invited. It is a unique opportunity to join the worldwide network of Cadastral and Land administration experts.

Dear delegate, colleague and friend, become an actor and shape the success of this unique meeting.
