DEPARTMENT OF LANDS AND HOUSING
Federal Ministry of Lands, Housing and Urban Development
u_andrus@yahoo.com, andrusukaejiofo@yahoo.com

INTRODUCTION

Federal Land Information System (FELIS) is a computerized land record information system covering Federal Government land records nationwide.

The services are provided to other sites (Field offices of the Ministry in the States) in a network via the internet;

All certified titles to land issued by the Federal Ministry have been captured and more are being inputted
