The FIG Foundation – what is it?

The FIG Foundation is an independent body under the
International Federation of Surveyors

The Foundation has been established for the purpose of raising funds to finance surveying education development projects and supporting young surveyors in order to build a sustainable future.

New Initiatives (2015-2017)

- **2016** Established **FIG Commission Publication Author Support Grant**: author support grants of up to 28,000 euros spread over a maximum of four years. The grants are aimed at (1) increasing FIG publications by authors who reside in low-income, lower-middle or upper-middle income economy countries, and (2) contributing to the implementation of part of a Commission's Working Plan.
- **2016** Presented first PhD Scholarship award of 7,000 euros to Wallace Mukupa (Zambia).
- **2017** Approved grant funding in support of **FIG Young Surveyors Network Volunteer Community Surveyor Program**, a joint competence based volunteer program initiated by Global Land Tool Network (facilitated by UN-Habitat)(GLTN) and the International Federation of Surveyors Young Surveyors Network (FIG-YSN).
- **2017** Authorized production of informational videos on how to apply for FIG Foundation grants.
